

Attachment J, Lynnwood Swim-Tennis Club Policy Regarding Group Use

1. A member may obtain approval for use of the pool by a group numbering 9 or less from the Pool Board President.
2. For groups numbering 10 or more, the following guidelines shall apply:
 - a. Requests for group use need to be submitted by a member to the pool board Personnel Director for approval 1 week prior to the proposed use. A major criterion used by the board in granting approval will be whether the group-use will interfere significantly with the use of the pool by the general membership. At no time will the pool be closed to the general membership during regular pool hours in order to accommodate a group's use.
 - b. During lifeguard times (12-5:00 p.m. weekdays) and for young people (under age 17) at any time, the group shall hire an additional lifeguard to be present during the group activity with preference in hiring from among lifeguard staff.
 - c. The maximum size of the group shall not exceed 35.
 - d. A ratio of 1 adult for every 5 underage persons shall be required.
 - e. The member requesting the group-use must be present during the function and shall be held responsible for any and all damages and cleanup which may occur as a result of this use. Permission slips are encouraged for youth with parents not in attendance.
 - f. The member sponsoring the group and all responsible adults present at the function shall have read the pool rules and acknowledge the same in writing. They will be held responsible for the conduct of those in the group and for the enforcement of the safety rules.
 - g. We re-emphasize the pool rules on NO GLASS and NO ALCOHOL.
 - h. Party or gathering may not exceed more than 120 minutes (2 hours).
